

CDEM Resilience Fund project application form

This form provides the minimum of information for the application; a detailed project plan should be developed to inform this application and may be attached.

Project title	
Project title	Kia Kotahi te Hoe – Further Together
Date of application	9 th June 2021
Details on application	
Applicant <i>(Note: CDEM Group must endorse/sponsor all applications)</i>	Te Kotahi o Te Tauihu Charitable Trust
Sponsoring CDEM Groups	Nelson Tasman CDEM Marlborough CDEM
Other local authorities, Groups or organisations supporting this proposal	Marlborough District Council Nelson City Council Tasman District Council

Project description

Background and Executive Summary

The 2010 and 2011 Christchurch earthquakes had direct impacts on Te Wai Pounamu. A dally Te Tauihu Marae and Māori Health Provider stocktake was undertaken so as an Iwi and Māori community, resources could be directed to those highest areas of need. Through the 2016 Kaikoura earthquake (which also had devastating effects in the Marlborough district), the M.E.A.N team (Māori Emergency Action Network) was established, working closely alongside Marlborough Civil Defence Emergency Management. From there, representation on Co-ordination Executive Groups were encouraged, and Iwi representation have participated since 2017.

To strengthen civil defence responses moving forward, the first of two Te Tauihu hui was held in December 2018 at Te Hora Marae, and a second follow-up hui was held in late March 2019 in Nelson, post the Pigeon Valley fires. Eight key themes arose out of Te Tauihu Emergency Management Initiative (2018/2019). The Pigeon Valley Fire, grew to be the largest wildfire in New Zealand history. Iwi Liaison was at the forefront, supporting the response and recovery process, partnering with Nelson Tasman Civil Defence Emergency Management.

partnering with Nelson Tasman Civil Defence

In late 2019 acknowledging that COVID-19 was a threat to wellbeing, planning commenced to hold two Māori Emergency Operations Centre Introduction Workshops in early March 2020. These were held with Marlborough CDEM, and had over 30 attendees. At lockdown, the attendees were the first agencies contacted to see whether they'd be willing to participate on the Māori Welfare Recovery team initiated at lockdown Level 4.

In 2021, discussions commenced under Te Kotahi o Te Tauihu Charitable Trust, (owned by the eight manawhenua Iwi) that a consistent approach to civil defence responses across Te Tauihu (Marlborough, Nelson, Tasman) is needed. Nelson Tasman Civil Defence, Marlborough Civil Defence and Te Kotahi o Te Tauihu Charitable Trust have framed up a draft Te Tauihu Civil Defence Strategy which will be out for consultation in July 2021. This application is in support of implementing Te Tauihu Crisis Response Plan.

Challenge/opportunity

Te Kotahi o Te Tauihu Charitable Trust comprises of the eight manawhenua of Te Tauihu o Te Waka a Maui. The organisation was established to support the recovery from COVID-19 impacts, with Civil Defence Emergency Management fits under the Whai Oranga hoe. In terms of this, there is a commitment for a two year period to support our communities in terms of preparation for future events so that we are all better prepared. Embedded below is our draft Emergency Management Plan.

The time is ripe, now.

Alignment with priorities and objectives of the National Disaster Resilience Strategy (NDRS) [200 words maximum description] This

This application looks to develop our collective capacity to anticipate and respond to the effects of an emergency event, to minimise those impacts by responding effectively, and as we recover functionality, review our response that there is an ongoing lessons learned approach so that we build our knowledge for future events. We will do this by:

- Increasing Māori participation on EOC, CIMS4 and Response Team training.
- Working along CDEMs to look after the spiritual wellbeing of CDEM teams, volunteers and our communities.
- Increase the number of Marae who have Marae Emergency Management Plans and better supports whānau, hapū and iwi preparedness.
- Work with Marae to identify what resources and equipment are required to enable them to support a civil defence emergency.
- Provide cultural training to CDEM kaimahi.
- Work together as partners across CDEMs/Te Kotahi o Te Tauihu to consult, review and adopt a Te Tauihu Crisis Response Plan
- Consider sponsoring tertiary level Graduate Diploma in Emergency Management
- Integrate Māori representation and participation through all levels of the emergency management system within Te Tau Ihu.
- Manage risks, enabling, empowering and supporting community resilience.

Alignment with Principles and Allocation Preferences [200 words maximum description]

- Te Tauihu o Te Waka ā-Māui Crisis Response Strategy, has as its underpinning values, whakapapa, manaakitanga, wairuatanga, ūkaipōtanga, kotahitanga, rangatiratanga, whanaungatanga, kaitiakitanga and Te Reo Māori.

- With these values at the core of the response, working in partnership with not only Civil Defence Emergency Management teams, but our wider community, equity of outcome is more likely to be achieved.
- Te Taulhu are happy to share any plans, documentation, reports or models, that would assist other regional areas in the development of their own partnership approach with their Civil Defence Emergency Management teams. We are also happy to receive best practice learnings from other regions as part of our own quality improvement.
- Te Puni Kōkiri funding the kick start in 2018 in terms of our Initial Emergency Management Initiative. Marlborough CDEM is funding up to six Marae Emergency Management Plans. Te Kotahi o Te Taulhu Charitable Trust has contributed their Pouwhakahaere resource to lead out Te Taulhu Crisis Response Strategy.
- This application is built from previous mahi, commencing from 2011.

Application of outcomes/benefits to sector [200 words maximum description]

- Whānau wellbeing through emergency responses.
- Marae having the resources and knowledge to support whānau and hapū for at least the first three days after an emergency.
- Iwi and marae understand how the emergency management system operates and how it can help in an emergency.
- CDEM Groups across the rohe demonstrate commitment to an active partnership with Te Tau Ihu iwi, by providing CDEM-related education in a way that works for Māori (e.g. on the marae) and by ensuring iwi representation and participation on relevant groups.
- Increased Māori workforce(s) involved in Civil Defence emergency management.

Ongoing costs (post project) and how it will be funded [Please provide a summary of ongoing costs (if any) and how it will be funded/managed - 200 words maximum]

Collectively we have funded this kaupapa internally, utilising our own skills, knowledge, resources, and finances. We simply don't have the capacity to take this kaupapa to the next level without additional support. Further discussions will be held within the partnership in terms of sustainability from 2022 onwards.

Project design

Project manager (30 hrs x \$95 x 43 weeks)	NEMA application \$ 122,650.
Other project members	Not applicable
External providers/contractors (Respective marae will determine the 'who' will lead this)	Nelson/Tasman Marae Emergency Management Plans 3 x \$5k = \$15,000
NEMA Resource (if required)	Possibly secondment request
Note: The application is not 'closed' to capital items. Capital expenditure request is as follows: Storage units 8 x \$25,246 = \$201,968; First Aid kits \$196.38 x 8 = \$1575; Generators \$1799 x 8 =	\$246,069

\$14,392; CD Cabinet 623.75 x 8 = \$4,990; AED Def \$1995 x 8 = \$15,960; and Chemical toilet/pop up showers \$449 x 16 = \$7184.		
Deliverables <i>[Note: payments will be made after successful completion of milestones identified]</i>		
Key Milestones	Date for completion	Cost (Invoice Amount)
Stakeholder consultation complete, feedback reviewed, amended strategy tabled for approval	30 th August 2021	\$30,625
Te Taihū Emergency Management model agreed, with representation/participation confirmed.	31 st October 2021	\$30,625
Marae Emergency Management Plans completed and implementation commenced.	31 st March 2021	\$15,000
Marae and Māori based training courses provided.	Oct 21 to June 22	\$30,625
Capital Items Marae rohe based purchased and operational	June 2022	\$246,069
Project evaluation completed.	30 th July 2022	\$30,625
Identified risks		
Risks	Suggested mitigation / management	
Partial funding approved	Work with philanthropic agencies	
Low registration of Māori on courses	Utilise comms resource within Te Kotahi and promote widely across Iwi and Maataa Waka. Reframe as EOC/CIMS a core module for any employer. Marae based programme delivery.	
Unable to get capital equipment (containers)	Storage units the biggest item, there is ample choice for others. Commence negotiations immediately application outcome known.	
Disconnect between stakeholders	Regular updates and quarterly stakeholder hui.	
Funding request and use		
CDEM Resilience Fund contribution		\$383,569
Other sources of funding or support (Te Kotahi Pouwhakahaere – to date over 100 hours; and we will resource venues and kai for consultation forum)		\$ 21,350
Budget <i>[Please supply spreadsheet]</i>	 NEMA%20application .xlsx	
Applies if application exceeds \$100,000 over the life of the project	Are you prepared to attend an interview in support of this application (if needed)?	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
Application confirmation		
Is this application from an individual or other organisation (not CDEM Group)? Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>		
<input type="checkbox"/> Does the CDEM Group support this application? Yes <input type="checkbox"/>		

No <input type="checkbox"/>	
<i>(Sign-off below confirms support)</i>	
Approval of Chief Executive <i>(Chief Executive or Head of the organisation receiving the funding)</i>	
Approval of CEG Chair	  
<i>All communications regarding the application, including approval decision, will be approved by the Chief Executive and CEG Chair</i>	Pat Dougherty Chief Executive Marlborough District Council
CDEM Group comment	Mark Wheeler Chief Executive Tasman District Council
	Janine Dowling Chief Executive Tasman District Council
	Chief Executive Nelson City Council

Note: Only complete forms will be considered for assessment. All completed forms and supporting documents must be emailed to NEMA on Resilience.Fund@nema.govt.nz
