

Emergency Ready - Top Tips for Mayors

BAU

- Know your CDEM Controllers and ask their expectations of you in an emergency.
- Understand your CDEM groups arrangements, particularly for declarations and recovery transitions.
- Undertake regular media training for emergency events.
- Take an active interest in your council's arrangements and CDEM Joint Committee decision making.
- Get to know your MCDEM regional emergency management advisor (REMA) and understand how they can support you.

Emergency Ready - Top Tips for Mayors

Emergency Event

- **Focus on providing confidence for your communities.**
- **Keep your controllers informed and make sure they know their role in community confidence.**
- **Liase regularly with your CEO.**
- **Direct people in need to the EOC rather than solve issues individually.**
- **Make sure you take breaks so you don't wear yourself out.**
