INCIDENT LEVEL RESPONSE

PUBLIC INFORMATION MANAGEMENT (PIM)

Develops and delivers messages to the public and liaises with the impacted community. Develops messaging for Governance when Strategic Communications is not activated.

RESPONSIBILITIES INCLUDE

- Ensure the Controller and wider IMT are informed of the PIM aspects of the response
- Provision of expert PIM advice to the Controller and other functions
- Provision of authorised information and life, health, and safety messages to the public
- Ensuring messages are accessible, frequently updated, consistent, and coordinated
- · Management of media
- Organisation of media briefings, preparing spokespeople
- · Community engagement and stakeholder liaison
- Management of internal and external communication and channels
- Providing the local interface for VIP visits (or coordinating / liaising with Ministerial offices if Strategic Communications function not activated)

KEY RELATIONSHIPS

- Media
- Controller (and deputy)
- The IMT and other functions, particularly Intelligence, Planning, Operations, Welfare, and Iwi/Māori Representation
- PIM functions at other ICPs and/or local level (if applicable)
- Iwi/Māori
- Community groups, internal and external stakeholders, partners, and support agencies/organisations

PIM SUB-FUNCTIONS

- Media Liaison
- Online Media Management
- Community Engagement
- Stakeholder and Partner Liaison
- Information and Warnings
- Internal Communications

KEY OUTPUTS

- · Warnings (where appropriate)
- Life, health, and safety messages to public
- Media releases, log of responses, organising press conferences and media opportunities, etc.
- PIM, Communications and Community Engagement Plan
- Content for website and social media, factsheets
- · Talking points and briefing notes
- · Input into the Action Plan
- PIM Status Reports, briefings, and stakeholder updates

CONSIDERATIONS

- · Life, health, and safety of the public
- Accuracy, currency, consistency, and relevance of information
- Using verified information only
- Utilising existing MOUs and resources, e.g. already published content, consistent messaging, templated releases, and communications plans
- Early identification and proactive management of misinformation, potential issues, and threats to reputation
- Mood of the audience: What questions are they likely to ask? What questions are they already asking? Who are the influencers?
- Ensuring information is relevant, suitable, and appropriate for all audiences (language, culture, accessibility standards), identifying and addressing gaps
- Channel strategy

PUBLIC INFORMATION MANAGEMENT (PIM)

INITIAL TASKS

- Obtain briefing from the Controller to gain situational awareness / obtain Controller's intent
- Establish PIM function; appoint, brief, and task staff; ensure staff have had an induction (including a Health and Safety induction)
- Connect with Intelligence to obtain ongoing information about the incident and response
- Contribute to the development of the Action Plan
- Map stakeholders and develop Engagement Plan; establish points of contact; connect with local iwi
- Set up a schedule of activities and establish the daily rhythm
- Set up logs (as required) to record decisions and actions
- · Determine PIM requirements and brief to Logistics
- Establish communication channels, e.g. Facebook, website, etc.
- Confirm with the Controller who is authorised to approve information/material for public release
- Identify appropriate spokespeople

DEMOBILISATION

Refer to Appendix F Demobilisation in page 96 of the 3rd edition of the CIMS Manual for more information.

ONGOING TASKS

- Develop, disseminate, and brief key messages to media, PIM functions at other agencies, key partners, and stakeholders, monitor for currency and consistency
- Develop, provide, update, and maintain reports, briefings, press releases, key messages, speaking points, and situation updates (as required)
- · Record decisions, actions, and other activities
- Gather, clarify, and confirm information; identify stories of interest to the media; facilitate and manage media access to restricted areas where authorised
- Coordinate media engagement, arrange media visits and conferences, and liaise with VIPs (when required)
- Monitor media, news reports, and public and media reactions, passing information to the Controller, Intelligence, and IMT
- Contribute to the planning process
- · Record decisions, actions, and other activities
- Brief and support spokespeople for media interviews, public meetings, and stakeholder briefings
- Manage internal and external communications (response staff, communities, online channels, e.g. helplines, Civil Defence Centres), providing information as required and ensuring information is updated frequently
- Liaise with iwi to enable and support direct communication with impacted whānau/hapū
- Support local elected members with strategic communications advice (if Strategic Communications is not deployed)
- Schedule, set up, and support community meetings and stakeholder briefings
- Manage demobilisation for PIM
